

ABC Packaging Direct FTP Site (**NEW**)

TO UPLOAD ARTWORK:

domain: abc-ftp.com

user: abcdesign

pw: pacKO-188

IMPORTANT NOTE:

New browsers like Internet Explorer 7.0 or 8.0 or Firefox 3.0 and above have a security feature that make it difficult to upload directly. In these cases, you'll need some kind of FTP software. Some popular free FTP software programs are Leech FTP and FileZilla. These can be downloaded from www.download.com

Another option is uploading through Windows Explorer. For this follow these instructions

- Click on Start then Programs then Accessories then Windows Explorer
- Or, just right click START then hit Explore then type FTP username and password. Then Copy & Paste
